## International Power Supply Cords

### Our Online Product Catalogs

Most of the cords shown in this brochure are standard, stock items at our factory in Westfield, Pennsylvania, U.S.A. This is by no means our entire line. Optional features include different lengths, heavier wire types, rubber wire, different colors, terminals, strain reliefs, etc.

Electri-cord can supply cords for use in Israel, South Africa, Hong Kong, India, Great Britain and many other countries.

Please contact our sales office for prices and for help in designing the exact cord to meet **YOUR** requirements....Thank you.
